God is so good. This week has been a blessing.

In my personal life, I had some crises that I have had in the past. They crept back into my world.

Because of the new tools + learning I was able to use them + get through it with a much different attitude, understanding and feeling of accomplishment, ~~but~~ instead of fear + despair. THANK YOU!

So excited to share what I learn with my family + implement it into my world.

and my interactions with others. I am excited
to view the world through the lense of High Trust!

The skits, stories, modeling and sense of
humor that you displayed made this engaging ~
yet held my attention for long stretches of
time, a difficult thing to achieve!

Great Workshop Denny!
