Denny HELLO!!!!!!

~ I wanted to take the time to thank you for saving my life!! At this time last year I was in the sickest, darkest downward spiral one could imagine and somehow, someway the words you spoke to the entire classroom ripped down the iron walls I had built around me and let my heart be vulnerable and feel alive again!

The most impressive training I have attended. I have a lot to take in and processes. There are so many lists and videos in my head that I have let an impact my life in a negative manner. I need to focus →

more on the positive. This will help me to be  
a better mother, significant other, and teacher.  
I have gained a back bone I knew I had  
(~~some~~ spouse!) but could figure out how to use it. This has  
been a very rewarding experience I will never  
forget. I have allowed others problems determine  
my successes in life. It is nice and feels so  
amazing to let their lists go! Thank you!  
You are a brilliant, creative, energetic, and  
amazing man! (Handsome too!)

Driving to the hardware store... My  
daughter/3 years, who had been  
riding quietly in the car seat said in  
a cheery voice, “Papa, when we  
make mistakes, that’s where  
learning happens.”

1<sup>st</sup> -My heart is full.

2<sup>nd</sup> -I love my wife, she’s incredible!

3<sup>rd</sup> -I grateful for all the wisdom  
we’ve acquired from you.
