I took the training about 3 yrs ago & the strategies have worked! I ♥ how I can attend a training & I can implement the strategies easily & effectively. I also

♥ how the student is not punished but it is also not allowed to slide. Often educators are one or the other & this shows a (+) balance & leaves the educator feeling less stress & more happiness.

With total gratitude,

This workshop has come at a time when I was questioning my teaching. I say this because I teach differently (High Trust) and I did it without direction. However, to see

that others teach and are excited about
the whole child. This workshop has given
me support when I needed it the most.

Thank you
