Loved the high trust philosophy

+ holding the vision of engaging kids to learn by establishing trust + a safe loving environment. I love the idea that to teach ^{most} effectively, teachers

must clear their own "lists", grow their own potential + follow their own hearts.

It was part personal discovery, part philosophy class, part model for effective teaching.

Many Thanks!

Julie Case.

Good morning Denny.

I was the one who interviewed Chris Klug last night.
I got so so much out of your presentation. Should you host any events in Santa Barbara during the week of Thanksgiving, I would LOVE to have my husband hear you speak. I regret that we will fly to Mexico today.

If you have a mailing list kindly add me.

Thank you so very much for sharing your wealth of knowledge!

Thank you,

Donna Carver Bruice

Hi Denny,

I am so sorry I had to run out before the class ended today. I am sure Jill explained that I had to get home to the kids to relieve the babysitter. Thank you so much for an incredible workshop. I truly enjoyed my time with you and feel grateful for all the tools and strategies I look forward to putting into place.

I am feeling reinvigorated and looking forward to seeing my students at school tomorrow more than ever. Safe travels back home and I hope to see you again in Aspen soon.

Sincerely,

Lauren Nitti
