This class teaches you specifically how to love yourself, love others, focus only on the solution, how to stop blaming, how to help kids have more success!! Every person, even non-educators,

With total gratitude,

need to take this class! You learn how to love deeply and never be hurt again. This all in turn helps children and colleagues and admin etc feel more trust and care in the relationship, which leads to more success! I can't wait to use these specific strategies, that were modeled and taught in the class! Whoo! I can't wait to build better relationships at my school that will lead everyone to better learning and achievement!

I love the energy and fast pace of the workshop.

Thanks for keeping me laughing, With total gratitude. I've never had so much fun in a workshop.

Using stories to explain the concepts and having us practice and repeat the concepts to make them stick.

You have saved my personal life / marriage from taking a bad turn by explaining having a list that you need to throw out and to not thank things personally.
