

Teachers, performing artists...you are the best!  
Feel the energy, look at the excitement, the talent, the incredible gift  
you are to your students, to the community, to the world!

What an incredible time with YOU!

Thank you for the honor, .....the fun,..... the pure joy .....

of being with **you!**

I'll be coming back to beautiful Kirkland ...January 15-18, 2009  
...tell your colleagues, your spouse, your family, your friends, please!
